Family Portrait Packages from \$220:

Every family should have a special photo to freeze a moment in time that is treasured for decades to come. Our Family Portrait Packages are affordable and great value - giving you a wide variety of images to treasure and share.

Basic Package (\$220):

- * **Group shots of your family using natural light on location**
- * **Your favourite 3 images digitally enhanced**

Studio Package (\$330):

- * **We bring our mobile studio to your home**
- * **Group shots and individual portraits of your family**
- * **Your favourite 3 images digitally enhanced**

Optional Extras:

- DVD (\$50)- All images in Hi Resolution and video slide show**
- Print Pack (\$50) One 8x12 & Four 5x7 prints**
- Album Pack (\$220) A professionally designed leather cover album to present your family portraits**

Our sessions are not 'timed' so there is no pressure of watching the clock. We will keep shooting until we have enough shots to be sure that you will have a choice of fantastic photos to choose from. Sessions generally last around 1- 1.5 hours, and you will receive around 100 photos. Further prints/enlargements available at reasonable rates.
